

United States Senate

April 11, 2023

The Honorable Patty Murray
Chair
Committee on Appropriations
United States Senate
Washington, DC 20510

The Honorable Susan Collins
Vice Chair
Committee on Appropriations
United States Senate
Washington, DC 20510

Dear Chair and Vice Chair:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Homeland Security Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

A handwritten signature in blue ink, reading "Dianne Feinstein".

Dianne Feinstein
United States Senator

**Feinstein, Dianne(D-CA) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Anaheim	Funds would be used to renovate an existing building for a new Emergency Operations Center to provide support and essential services in event of an emergency.	Anaheim CA	\$1,500
Utica Water and Power Authority	Funds would be used for the construction of a Lower Tunnel Tap that bypasses 6 miles of canals and 16 wooden flumes (5,000 feet) that are highly vulnerable to damage and destruction by natural disasters such as wildfire, landslides, treefall, flooding, and heavy snow.	Angels Camp CA	\$1,000
San Diego County Water Authority Emergency Operations Center	Funds would be used to build a new operations & maintenance building capable of housing and supporting a 24/7 emergency operations center.	Escondido CA	\$500
City of La Verne	Funds would be used for critical upgrades to the Emergency Operations Center including technical upgrades to new equipment, reserve power and storage, data storage software, security systems for network infrastructure, and an email security platform.	La Verne CA	\$169
City of Oxnard	Funds would be used for the reconstruction of a section of seawalls in the Mandalay Bay community.	Oxnard CA	\$2,500
County of San Joaquin	Funds would be used on design, environmental preparation, and permitting to replace the Corral Hollow Road Bridge and an upstream structure and to remove sediment to mitigate the corridor's frequent flooding and subsequent road closures.	San Joaquin County CA	\$1,800
County of San Luis Obispo	Funds would be used to analyze and evaluate potential locations for off channel flood storage areas, design flood storage area levees, initiate environmental review and engage with landowners regarding the need to put existing farmland into flood easements.	San Luis Obispo County CA	\$2,000
City of South Gate	Funds would be used to replace the current EOC which is subterranean, susceptible to flooding, and not ADA-compliant for ingress and egress.	South Gate CA	\$1,226
